

Our mission is to end homelessness in the Big Bend through leadership, education, advocacy, and the provision of quality services.

Please help us help our clients by sharing this flyer with everyone you know.

Items typed in Bold Print are urgent needs.

HOW CAN YOU HELP? Organize a donation drive for our neighbors without homes. Work with a group of friends, co-workers, a service organization, business, church members or neighbors to organize a donation drive that will provide much-needed items for people experiencing homelessness. Donation drives can include, but are not limited to: sock/ undergarments drive, a coin drive (with the goal of purchasing something such as hygiene supplies, books for children, a piece of needed furniture, etc.), towel/linens drive, blanket drive or any other team efforts you can dream up to get donations that will serve people experiencing homelessness in our community. These items will be used at the Big Bend Homeless Coalition’s HOPE Community, during outreach efforts, and for individuals and families who are moving into stable housing.

For donations information please contact our hospitality team at 850.205.6009 or donations@bigbendhc.org
